

## Genie Forklift Part

Genie Forklift Parts - Genie is a globally recognized corporation that enjoys the spirit of partnership with their sizable network of allied consumers. Genie Industries prides itself on the image of bringing materials and people higher and extending beyond the products they produce. Genie Industries strives to help clientele erect their operations no matter how large or small the scale of operation may be.

In 1996, with the inauguration of the Genie Hoist, which is a pneumatic, transportable material lift spawned the beginning of Genie Industries. A series of aerial work platforms and additional materials lift trucks followed to meet customer demand. These innovative products secured global recognition and established modern product design.

Now, Genie Industries is a subsidiary of the Terex Corporation. Among their top priorities are to fabricate and maintain foremost quality construction and uncompromising level of support and service. With clients from Dubai to Dallas and Hong Kong to Helsinki requesting the unique blue coloured materials lift trucks on the jobsite, the company is firmly planted in their exceptional customer values and service. Acknowledging that their users are their greatest inspiration, the team at Genie Industries are personally dedicated to providing expertise and maintaining customer rapport.

The reliable staff is dedicated to greener, more environmentally practical possibilities to advance the goods that customers want. Genie Industries focuses on "lean production" practices in order to help minimize waste while producing very high quality lift trucks in the shortest time period at the lowest workable expense for the consumer. The staff at Genie Industries is proud to serve the industry and this is mirrored in every product they design. Always welcoming client contribution allows them to design and develop progressive new products that are effortless to service and handle, provide optimum value-for-cost and meet global standards. Thriving on customer advice enables Genie Industries to repetitively evolve and satisfy the consumers' needs.

Genie's service professionals are readily accessible to offer solutions to the queries you may have in order to keep you fully operational. Their expansive components network will swiftly dispatch parts to ensure their customers' equipment are operating effectively. Every product comes backed by a competitive and reliable warranty.

Genie Industries takes great pleasure in its customer service and builds and serves its goods to ensure proficiency and maximum uptime on the job. Providing on-going instruction opportunities, to marketing support to flexible financing solutions, Genie Industries provides their customers the resources to get the most out of their investment.
