

American Lincoln Part

American Lincoln Parts - Now connected with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning machines. Within the business they are known within the business as providing strong and durable machinery which meets all the requirements of larger infrastructure and heavy industry. Products made in America; the sales are conducted nation- wide via authorized distributors, direct Government sales and national accounts.

American Lincoln shares the battery operated walk behind version of floor scrubber together with the Clarke Company which is presently also owned by Nilfisk Advance. Their production operations are primarily based in Springdale Arkansas. These kinds of scrubbers are available in the market under the trade mark name "Encore". American Lincoln can provide equipment, parts and warranty service for these scrubbers that carry both the Clarke and Encore logos.

The 7765 floor scrubber model is the choice equipment of huge distribution centers like for example Wal-Mart and Target. The 7765 line has earned the respect of various facility managers where efficiency and results count. Lately, this particular floor scrubber model has been used by the architects in different construction jobs like Lowes Home Improvement Stores and Home Depot's. Flooring contractors use this particular sweeper scrubber on site because of the model's utmost performance level and high standard of quality for polishing concrete.
